REMARKS

The present response is intended to be fully responsive to all points of objection and/or rejection raised by the Examiner and is believed to place the application in condition for allowance. Applicants assert that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the claims is respectfully requested.

Status of Claims

Claims 1-30 are pending in this application as filed on June 27, 2005.

Claim 14 has been canceled, and claims 1, 5-8 and 10 have been amended herein.

Applicants assert that the amendments to the claims add no new matter.

Restriction Requirement

In the Office Action, the Examiner stated that the application contains inventions or group of inventions claims which are not so linked as to form a general inventive concept under PCT Rule 13.1. The Examiner requested that Applicant elect a single invention to which claims be restricted from among the following groups:

-Group I, claims 1-14, drawn to an in vivo imaging device.

-Group II, claims 15-19, drawn to a method of manufacturing.

-Group III, claims 20-23, drawn to an in vivo imaging device with a specific special technical feature.

-Group IV, claims 24-30, drawn to an in vivo imaging device with a different special technical feature.

Applicants elect to prosecute claims 1-14 of Group I, drawn to an in vivo imaging device. Independent claim 1 has been amended herein to incorporate the limitations of claim 14, now canceled. Support for amendments to claim 1 can be found in the specification at page 9, lines 11-27.

Claims 15-19 of Group II, claims 20-23 of Group III, and claims 24-30 of Group IV are withdrawn at this time.

Applicants reserve all rights in these non-elected claims, claims 15-30, to file divisional and/or continuation patent applications.

If the Examiner has any questions or comments as to this response, the undersigned may be contacted at the address and telephone number below.

Please charge any fees associated with this paper to deposit account No. 50-3355.

Respectfully submitted,
